

UNITED STATES BANKRUPTCY COURT  
SOUTHERN DISTRICT OF INDIANA

**NOTICE OF POSTING OF  
NEW LOCAL FORM:  
CURRENT INCOME AND EXPENSES FOR  
NON-INDIVIDUAL DEBTOR**

11 U.S.C. §521(a)(1)(B)(ii) requires every debtor to file “a schedule of current income and current expenditures.”

For individual debtors, Schedules I and J satisfy the requirement. No official form has been adopted that will satisfy the requirement for non-individuals. Accordingly, the Court has posted a suggested form for use by non-individual debtors. That fillable form is under the Local Forms and Instructions list, labeled “Income and Expense - Non-Individual.” Here is a link to the form:

Again, the form is only a suggestion. In the absence of an official form, non-individual debtors can provide their own form. Effective September 29, 2008, absence of the form or an equivalent will result in a notice of deficient filing and may result in dismissal.
